Oaklodge, Indian Territory,

Dear Sir:

Receipt is hereby acknowledged of the application for enrollment as a citizen of the Choctaw Nation of Thomas E. Moore, infant son of Edgar A. and Jessie M. Moore, born November 15, 1902.

Section twenty-eight thereof provides as follows:

"The names of all persons living on the date of the final ratification of this agreement entitled to be enrolled as provided in section 27 hereof shall be placed upon the rolls made by said Commission; and no child born thereafter to a citizen or freedman and no person intermarried thereafter to a citizen shall be entitled to enrollment or to participate in the distribution of the tribal property of the Choctaws and Chickasaws."

Respectfully,

Barnabas Peter,

Wister, Indian Territory,

Dear Sir:-

There is enclosed you herewith for execution application for the enrollment of your infant child, Levine Peter, born November 23, 1903.

The mother's affidavit of August 27, 1904, heretofore filed with the Commission, gives the date of the child's birth as November 23, 1903, while in the affidavit of March 25, 1905, it is given as November 23, 1904. The former is apparently correct, but as this affidavit does not show that the child was living on March 4, 1905, it will be necessary for you to [illegible] affidavits.

In having these affidavits executed care should be exercised to see that all the names are written in full, as they appear in the body of the affidavit and in the event that either of the persons signing the affidavits are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Respectfully,

T-M.B.143.

Muskogee, Indian Territory, May 25, 1906.

Barnabas Peter,

Wister, Indian Territory.

Dear Sir:

Receipt is hereby acknowledged of the affidavits of Emeline Peter and Leoni Jones to the birth of Leviney Peter, daughter of Barnabas and Emeline Peter, November 23, 1903, and the same have been filed in the matter of the enrollment of said child.

Respectfully,

Dear Sir:

Receipt is hereby acknowledged of the application for enrollment as a citizen of the Choctaw Nation of Herbert Luce, infant son of Thomas and Salina Luce, born November 21, 1908.

You are advised that the Commission is without authority to enroll the child as a citizen of the Choctaw Nation, it appearing that said child was born November 21, 1908, subsequent to the ratification by the citizens of the Choctaw and Chickasaw Nations September 25, 1908, of an act of Congress approved July 1, 1902 (32 Stats., 641).

Section twenty-eight thereof provides as follows:

"The names of all persons living on the date of the final ratification of this agreement entitled to be enrolled as provided in section 27 hereof shall be placed upon the rolls made by said Commission; and no child born thereafter to a citizen or freedman and no person intermarried thereafter to a citizen shall be entitled to enrollment or to participate in the distribution of the tribal property of the Choctaws and Chickasaws."

Respectfully,

Acting Chairman.

Dear Sir:

Receipt is hereby acknowledged of your letter of the 2nd instant, requesting to be advised whether the infant child of Tom and Selina Luce, born November 1, 1902, has been enrolled as a citizen of the Choctaw Nation.

Under the above legislation the Commission has no authority to enroll children born subsequent to the ratification of the above act of Congress by the citizens of the Choctaw and Chickasaw Nations September 25, 1902.

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Campbell Russell, Jr., as a citizen by blood of the Choctaw Nation.

---oOo---

It appears from the record herein that on March 9, 1905 there was filed with the Commission application for the enrollment of Campbell Russell, Jr., as a citizen by blood of the Choctaw Nation.

It further appears from the record in this case and the records of the Commission that the applicant was born on December 9, 1904; that he is a son of Mary A. Russell, a recognized and enrolled citizen by blood of the Choctaw Nation whose name appears as number 8101 upon the final roll of citizens by blood of the Choctaw Nation, approved by the Secretary of the Interior January 17, 1903, and Campbell Russell, a recognized and enrolled citizen by intermarriage of the Choctaw Nation whose name appears number 124 upon the final roll of citizens by intermarriage of the Choctaw Nation, approved by the Secretary of the Interior June 13, 1903; and that said applicant died on February 14, 1905.

The Act of Congress approved March 3, 1905 (Public No. 212) among other things provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, hereby ordered that the application for the enrollment of Campbell Russell, Jr., as a citizen by blood of the Choctaw Nation be dismissed in accordance with the order of the Commission of March 31, 1905.

You are advised that under the provisions of the act of Congress approved March 3, 1905, the Commission was authorized for a period of sixty days from that date to receive applications for the enrollment of children born to enrolled citizens by blood of the Choctaw and Chickasaw Nations between September 25, 1902 and March 4, 1906, and living on the latter date. You will therefore see that the Commission is without authority to enroll your child.

Referring to the application for enrollment as a citizen of the Choctaw Nation of Edith Johnson, infant daughter of Van B. and Ida Johnson, born October 2, 1902; you are advised that the Commission is without authority to enroll this child as a citizen of the Choctaw Nation, it appearing that said child was born October 2, 1902, subsequent to the ratification by the citizens of the Choctaws and Chickasaw Nations September 25, 1902, of an act of Congress approved July 1, 1902 (32 Stats., 641).

Section twenty-eight thereof provides as follows:

"The names of all persons living on the date of the final ratification of this agreement entitled to be enrolled as provided in section 27 hereof shall be placed upon the rolls made by said Commission; and no child born thereafter to a citizen or freedman and no person intermarried thereafter to a citizen shall be entitled to enrollment or to participate in the distribution of the tribal property of the Choctaws and Chickasaws."

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Edith Johnsen, born October, 3, 1902.

The papers heretofore filed with the Commission were incomplete in that they contained neither the affidavit of the mother nor that of the attending physician or midwife. Your affidavit which is on file in this office show that the applicant was living on December 16, 1902. It is necessary, for the child to be enrolled, that she was living on March 4, 1905. You will please insert the age of the mother in the space left blank for that purpose.

In the event that the mother is dead, or that there was no physician or midwife in attendance, it will be necessary that you procure the affidavits of two persons who have actual knowledge of the fact, that the child was born, was living on March 4, 1905, and that Ida Johnsen was her mother.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear

in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signature or mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

---oOo---

It appears from the record herein that on March 4, 1905 there was filed with the Commission application for the enrollment of James Hiarker as a citizen by blood of the Choctaw Nation.

It further appears from the record in this case and the records of the Commission that the applicant was born January 18, 1903; that he is a son of Frank R. Hiarker, a recognized and enrolled citizen by blood of the Choctaw Nation whose name appears as number 7648 upon the final roll of citizens by blood of the Choctaw Nation, approved by the Secretary of the Interior on January 17, 1903, and Sarah Hiarker, a recognized and enrolled citizen by intermarriage of the Choctaw Nation whose name appears as number 257 upon the final roll of citizens by intermarriage of the Choctaw Nation, approved by the Secretary of the Interior on September 12, 1903; and that said applicant died on October 22, 1904.

The Act of Congress approved March 3, 1905 (Public No. 212) among other things provides:

William Stewart,

Latham, Indian Territory.

Dear Sir:

It appears from our records that on December 13, 1902, there was received at this office an application for enrollment as a citizen of the Choctaw Nation of Comote Walter Stewart, infant son of William and Isabella Stewart, born December 14, 1902.

It appearing from the affidavit of the mother that she is a citizen by blood of the Choctaw Nation, under date of December 31, 1902, you were requested to state when, where and under what name she was listed for enrollment as such, together with the names of her parents and other members of her family who appeared at the same time, in order that the Commission might be able to identify her as being duly listed for enrollment as a citizen by blood of the Choctaw Nation.

Receipt is hereby acknowledged of your letter of the 5th inst., stating that the mother of this child, Isabella Stewart, is the daughter of Henry and Abbie Choate and that she was listed for enrollment at Spiro, Indian Territory.

The information contained in your letter has enabled the Commission to identify the mother of the child as having been listed for enrollment June 14, 1899, as a citizen by blood of the Choctaw Nation under the name of Isabella Sheats.

Referring to the application for enrollment of your infant child, your attention is invited to section 28 of the Act of Congress approved July 1, 1902, which was ratified by the citizens of the Choctaw and Chickasaw Nations, September 25, 1902, as follows:

> "The names of all persons living on the date of the final ratification of this agreement entitled to be enrolled as provided in section 27 hereof shall be placed upon the rolls made by said Commission; and no child born thereafter to a citizen or freedman and no person intermarried thereafter to a citizen shall be entitled to enrollment or to participate in the distribution of the tribal property of the Choctaws and Chickasaws."

Under the above legislation, the Commission is without authority to enroll this child.

Respectfully,

Acting Chairman.

Dear Sir:

Receipt is hereby acknowledged of your affidavit and the affidavit of Caroline Bowman to the death of your daughter, Ruth LeFlore, January 24, 1903.

Referring to the affidavits heretofore filed in the matter of the enrollment of this child, you are advised that the Commission is authorized by the Act of Congress approved March 3, 1905, for a period of sixty days from that date to receive applications for the enrollment of children born to enrolled citizens by blood of the Choctaw and Chickasaw Nations between September 25, 1902 and March 4, 1905, and living on the latter date.

You will therefore see that the Commission is without authority to enroll children born subsequent to September 25, 1902, who were not living on March 4, 1905.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Ruth LeFlore as a citizen by blood of the Choctaw Nation.

---oOo---

It appears from the record herein that on March 4, 1905 there was filed with the Commission application for the enrollment of Ruth LeFlore as a citizen by blood of the Choctaw Nation.

It further appears from the record in this case and the records of the Commission that the applicant was born on December 17, 1902; that she is a daughter of F. Greenwood LeFlore and Leona A. LeFlore, recognized and enrolled citizens by blood of the Choctaw Nation whose names appear as numbers 8023 and 8024, respectively, upon the final roll of citizens by blood of the Choctaw Nation, approved by the Secretary of the Interior January 17, 1903; and that said applicant died on January 24, 1903.

The Act of Congress approved March 3, 1905 (Public No. 212) among other things provides:

> "That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, hereby ordered that the application for the enrollment of Ruth LeFlore as a citizen by blood of the Choctaw Nation be dismissed in accordance with the order of the Commission of March 31, 1905.

There is inclosed you herewith for execution applications for the enrollment of your infant children, Ruth LeFlore and Mable LeFlore, born December 17, 1902 and February 3, 1904, respectively.

The affidavits heretofore filed with the Commission show Ruth LeFlore was living on January 18, 1903. It is necessary, for the child to be enrolled, that she was living on March 4, 1905. It is also noted that in the application for the enrollment of Mable LeFlore the date of her birth was left blank in the physician's affidavit. You will please insert the age of the mother in the place provided for the purpose.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Referring to the application for enrollment as a citizen of the Choctaw Nation of Virginia Garland, infant daughter of William C. and Mary L. Garland, born October 7, 1902; you are advised that the Commission is without authority to enroll this child as a citizen of the Choctaw Nation, it appearing that said child was born October 7, 1902, subsequent to the ratification by the citizens of the Choctaw and Chickasaw Nations September 25, 1902 of an act of Congress approved July 1, 1902 (32 Stats., 641).

Section twenty-eight thereof provides as follows:

"The names of all persons living on the date of the final ratification of this agreement entitled to be enrolled as provided in section 27 hereof shall be placed upon the rolls made by said Commission; and no child born thereafter to a citizen or freedman and no person intermarried thereafter to a citizen shall be entitled to enrollment or to participate in the distribution of the tribal property of the Choctaws and Chickasaws."

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Virginia Garland, born October 7, 1902.

The papers heretofore filed with the Commission were incomplete in that they contained neither the affidavit of the mother nor that of the attending physician or midwife. Your affidavit which is on file in this office shows that the applicant was living on December 15, 1902. It is necessary, for the child to be enrolled, that she was living on March 4, 1906.

In the event that the mother is dead, or that there was no physician or midwife in attendance, it will be necessary that you procure the affidavits of two persons who have actual knowledge of the fact, that the child was born, was living on March 4, 1906, and that Mary L. Garland was her mother.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by

mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Dear Sir:

Receipt is hereby acknowledged of your letter of May 30, 1905, asking when the enrollment of your child for whom application was recently made will be approved so that you can select allotment.

In reply to your letter you are advised that the name of your child Loserra Matthews has been placed upon a schedule of citizens by blood of the Choctaw Nation which has been forwarded the Secretary of the Interior for approval, but the Commission has not yet been advised of Departmental action thereon. You will be notified when this action is approved by the Department.

Replying to that portion of your letter in which you ask if your child born March 27, 1905, can be enrolled you are advised that under the provisions of the Act of Congress approved March 3, 1905, the Commission to the Five Civilized Tribes was authorized for a period of sixty days from that date to receive applications for the enrollment of children born to enrolled citizens by blood of the Choctaw and Chickasaw Nations between September 25, 1902 and March 4, 1905, and living on the latter date. It further appears from the record in this case and the records of the Commission that the applicant was born on November 12, 1903; that she is a daughter of William B. Merryman, a recognized and enrolled citizen by blood of the Choctaw Nation whose name appears as number 8168 upon the final roll of citizens by blood of the Choctaw Nation, approved by the Secretary of the Interior January 17, 1903, and Florence A. Merryman, a recognized and enrolled citizen by intermarriage of the Choctaw Nation whose name appears as number 270 upon the final roll of citizens by intermarriage of the Choctaw Nation, approved by the Secretary of the Interior September 12, 1903; and that said applicant died on December 1, 1904.

The Act of Congress approved March 3, 1905 (Public No. 212) among other things provides:

> "That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, hereby ordered that the application for the enrollment of Martha B. Merryman as a citizen by blood of the Choctaw Nation be dismissed in accordance with the order of the Commission of March 31, 1905.

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Viola Collins as a citizen by blood of the Choctaw Nation.

---oOo---

It appears from the record herein that on March 4, 1905 there was filed with the Commission application for the enrollment of Viola Collins as a citizen by blood of the Choctaw Nation.

It further appears from the record in this case and the records of the Commission that the applicant was born on November 30, 1902; that she is a daughter of John F. Collins, a recognized and enrolled citizen by blood of the Choctaw Nation whose name appears as number 8230 upon the final roll of citizens by blood of the Choctaw Nation, approved by the Secretary of the Interior January 17, 1903, and Daisy Collins, a recognized and enrolled citizen by intermarriage of the Choctaw Nation whose name appears as number 731 upon the final roll of citizens by intermarriage of the Choctaw Nation, approved by the Secretary of the Interior May 7, 1904, and that said applicant died November 24, 1903.

The Act of Congress approved March 3, 1905 (Public No. 212) among other things provides:

> "That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, hereby ordered that the application for the enrollment of Viola Collins as a citizen by blood of the Choctaw Nation be dismissed in accordance with the order of the Commission of March 31, 1905.

Dear Sir:

Receipt is hereby acknowledged of your letter of December 31, 1902, enclosing the application for enrollment as a citizen of the Choctaw Nation of Viola Collins, infant daughter of John F. and Daisy Lee Collins, born November 30, 1902.

You are advised that the Commission is now without authority to enroll this child as a citizen of the Choctaw Nation, said child having been born November 30, 1902, subsequent to the ratification by the citizens of the Choctaw and Chickasaw Nations September 25, 1902, of an act of Congress approved July 1, 1902 (32 Stats., 641).

Section twenty-eight thereof provides as follows:

"The names of all persons living on the date of the final ratification of this agreement entitled to be enrolled as provided in section 27 hereof shall be placed upon the rolls made by said Commission; and no child born thereafter to a citizen or freedman and no person intermarried thereafter to a citizen shall be entitled to enrollment or to participate in the distribution of the tribal property of the Choctaws and Chickasaws."

Respectfully,

Commissioner in Charge.

John F. Collins,

Dear Sir:

Receipt is hereby acknowledged of your affidavit and the affidavit of John H. Hinton to the death of your child Viola Collins which occurred November 24, 1903.

You are advised that under the provisions of the act of Congress approved March 3, 1905, the Commission was authorized for a period of sixty days from that date to receive applications for the enrollment of children born to enrolled citizens by blood of the Choctaw and Chickasaw Nations between September 25, 1902 and March 4, 1905 and living on the latter date. You will therefore see that the Commission is without authority to enroll your child.

Respectfully,

Chairman.

Dear Sir:

There is inclosed you herewith for execution applications for the enrollment of your infant children, Frank Alfred Bolling and Louis Layfayett Bolling, born March 1, 1903, and September 16, 1904, respectively.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer attached to each separate affidavit.

Respectfully,

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Beula Thompson, born August 3, 1903.

The affidavits heretofore filed with the Commission were of the physician and father. You will notice from the inclosed application that the affidavit of the mother is required. You will please insert the age of the mother in space left blank for that purpose.

In the event that the mother is dead, it will be necessary that you procure the affidavits of two persons who have actual knowledge of the fact, that the child was born, was living on March 4, 1905, and that Malinda Thompson was her mother.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be

Charles H. Hudson,

Attorney at Law,

Wilburton, Indian Territory.

Dear Sir:

Receipt is hereby acknowledged of your letter of the 13th inst., enclosing a communication from the Secretary of the Interior, relative to the enrollment of an infant child born to Mary E. Bulsey, a recognized citizen of the Choctaw Nation, about six weeks ago, and you ask that a report in relation to the matter be forwarded you.

You are informed it appears from our records that on April 12, 1904, a blank application for the enrollment of an infant child was forwarded to your address in accordance with your request of March 29, 1904.

It does not appear, however, that any application has ever been received at this office for the enrollment of an infant child born to Mary A. Bulsey, within the time stated in your letter, and it is therefore impracticable for the Commission to make any report to you in the matter.

The letter from the Department is returned herewith.

Respectfully,

Commissioner in Charge.

Dear Sir:

Receipt is hereby acknowledged of the affidavits of Mary A. Hulsey and H. L. Dalby relative to the birth of your infant son, Earnest T. Hulsey on March 1, 1904, which it is presumed have been forwarded to this office as an application for the enrollment of said child as a citizen by blood of the Choctaw Nation.

Under the provisions of the act of Congress approved July 1, 1902, the Commission is now without authority to receive or consider the original application for the enrollment of any person whomsoever as a citizen of the Choctaw or Chickasaw Nation.

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Earnest T. Hulsey, born March 1, 1904.

The affidavits heretofore filed with the Commission show the child was living on April 26, 1904. It is necessary, for the child to be enrolled, that he was living on March 4, 1905. You will please insert the mother's age in the place left blank for that purpose.

In having those affidavits executed, care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notorial seal and signature of the officer must be attached to each separate affidavit.

Referring to the application for enrollment as a citizen of the Choctaw Nation of Ethel Lewis, infant daughter of Howard and Alice Lewis, born November 2, 1902; you are advised that the Commission is without authority to enroll this child as a citizen of the Choctaw Nation, it appearing that said child was born November 2, 1902, subsequent to the ratification by the citizens of the Choctaw and Chickasaw Nations September 25, 1902, of an Act of Congress approved July 1, 1902 (32 Stats., 641).

"The names of all persons living on the date of the final ratification of this agreement entitled to be enrolled as provided in section 21 hereof shall be placed upon the rolls made by said Commission; and no child born thereafter to a citizen or freedman and no person intermarried thereafter to a citizen shall be entitled to enrollment or to participate in the distribution of the tribal property of the Choctaws and Chickasaws."

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Henry G. Hampton, born November 2, 1902.

The affidavit heretofore filed with the Commission shows the child was living on December 25, 1902. It is necessary, for the child to be enrolled, that he was living on March 4, 1905.

The above mentioned affidavit is of the mother only. You will notice from the inclosed application that the affidavit of the physician or midwife is also required. You will please insert the age of the mother in space provided for that purpose.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Dear Sir:

There is enclosed you herewith for execution application for the enrollment of your infant child, Rebecca Jincy Hembree, born December 4, 1903.

In the affidavit of January 26, 1904, heretofore filed with the Commission, the date of the birth of the applipant is given as December 4, 1903, while in those of March 15, 1905, it is given as December 4, 1904. In the enclosed application, which you will please have executed and return, it is inserted as December 4, 1903, which is evidently correct.

In having these affidavits executed care should be exercised to see that all the names are written in full, as they appear in the body of the affidavit and in the event that either of the persons signing the affidavits are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Dear Madam:

Receipt is hereby acknowledged of your affidavit and the affidavit of Phema Prince relative to the birth of Martha Ifer Dilbeck, infant daughter of J. M. and Emma Dilbeck March 3, 1904, which it is presumed have been forwarded as evidence of birth of the above named child.

You are advised from the information contained therein that the Commission is unable to identify you upon its records as an applicant for enrollment as a citizen of the Choctaw Nation and if application was made for your enrollment you are requested to state when, where, and under what name the same was made, the names of your parents, and the other members of the family who appeared at the same time, and any other information you may possess which will enable the Commission to identify you upon its records.

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Martha Iler Dilbeck, born March 2, 1904.

The affidavits heretofore filed with the Commission show the child was living on November 19, 1904. It is necessary for the child to be enrolled, that she was living on March 4, 1905. You will please insert the mother's age in the place left blank for that purpose.

In the affidavits heretofore forwarded it is stated that the mother, Emaline Dilbeck, is a citizen by blood of the Choctaw Nation.

If this is correct you are requested to state when, where and under what name she was listed for enrollment, the names of her parents and other members of her family for whom application was made at the same time, and if she has selected an allotment, give her roll number as the same appears upon her allotment certificate.

In having these affidavits executed care should be exercised to see that all the names are written in full as they

appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Dear Madam:

Receipt is hereby acknowledged of your letter of April 15, transmitting the affidavits of Emeline Dilbeck and Phemy Prince to the birth of Martha Ilar Dilbeck, daughter of S. M. and Emeline Dilbeck (Gillum), March 2, 1904, and the same have been filed with our records in the matter of the enrollment of your child.

Replying to that portion of your letter in which you state that since you were separated from your former husband, Gillum, you have married S. M. Dilbeck and you desire to have your name changed upon the rolls, you are advised that you have been enrolled by the Commission and your enrollment approved by the Secretary of the Interior under the name of Emeline Gillum and under that name you have selected an allotment of land in the Choctaw Nation.

It is therefore impracticable to comply with your request that your name be changed upon the approved roll.

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Elmer Luther Barnett, born April 1, 1904.

The affidavits heretofore filed with the Commission show the child was living on December 8, 1904. It is necessary, for the child to be enrolled, that he was living on March 4, 1905. You will please insert the mother's age in the place left blank for that purpose.

In having these affidavits executed, care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons singing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Respectfully,

Dear Sir:

Receipt is hereby acknowledged of the application for enrollment of Charles Franklin Beal, infant son of William C. and D.E. Beal, born October 23, 1902.

You are informed that the Commission is without authority to enroll this child as a citizen of the Choctaw Nation, it appearing that said child was born October 23, 1902, subsequent to the ratification by the citizens of the Choctaw and Chickasaw Nations on September 25, 1902, of an act of Congress approved July 1, 1902 (32 Stats., 641),

Section twenty-eight thereof provides as follows:

"The names of all persons living on the date of the final ratification of this agreement entitled to be enrolled as provided in section 27 hereof shall be placed upon the rolls made by said Commission, and no child born thereafter to a citizen or freedman and no person intermarried thereafter to a citizen shall be entitled to enrollment or to participate in the distribution of the tribal property of the Choctaws and Chickasaws."

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Chas. Franklin Beal, born October 25, 1902.

The affidavits heretofore filed with the Commission show the child was living on November 20, 1902. It is necessary, for the child to be enrolled, that he was living on March 4, 1906. You will please insert the age of the mother in the space left blank for that purpose.

It is also noted from the above mentioned affidavit that the mother's name is "D. E. Beal" while on the records of this office it appears that your wife is "Donnie Beal". If D. E. Beal and Donnie Beal are one and the same person, you will please insert the name Donnie Beal, as it appears on the records of this office, in the place, in the inclosed application, left for that purpose.

In case that D. E. Beal and Donnie Beal are different persons, it will be necessary that you file in this office the original or a certified copy of the license and certificate of

Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Receipt is hereby acknowledged of your letter of March 21, 1905, stating that you have two children born since September 25, 1902, that the attending physician for the oldest one has gone away and it will be almost impossible to get his affidavit; that you have his affidavit made in December 1904, and you wish to be advised if this will be all that is necessary in the matter of the enrollment of said child.

In reply to your letter you are advised that you should forward the affidavits referred to in your letter to the Commission as early as practicable and the same will be received and considered as applications for the enrollment of the children therein named. You can then have executed and returned to the Commission affidavits to the birth of said children on the inclosed blanks, and if you cannot secure the affidavit of the attending physician and there was no nurse in attendance at the birth of said child, you should forward the affidavits of two disinterested persons who know of the birth of said child.

There is inclosed you herewith correct affidavit of D. A. Homer to the birth of Maggie Hoparkentubbi which was executed before J. R. Armstrong, Notary Public. You are advised that the date of the death of Maggie Hoparkentubbi appears in the affidavit of Isabel Hoparkentubbi of November 27, 1905, as the "_____day of

Napoleon B. McClure,

Bennington, Indian Territory.

Dear Sir:

Receipt is hereby acknowledged of your letter of May 28, 1907, in which you ask what has been done with the case of Maggie Hopkentubby as you are anxious to file on land for her before all the valuable land is taken.

In reply to your letter you are advised that on August 22, 1905, the Secretary of the Interior approved the enrollment of Maggie Hoparkentubbi as a new born citizen of the Choctaw Nation under the Act of Congress approved March 3, 1905, and selection of allotment may now be made in her behalf in accordance with the rules and regulations governing the selection of allotments and the designation of homesteads in the Choctaw and Chickasaw Nations.

Respectfully,

Commissioner.

Muskogee, Oklahoma, April 18, 1908.

Subject:

Enrollment and allotment of Maggie Hoparkentubbi, deceased, a new born Choctaw.
.....

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith the record in the matter of the enrollment of Maggie Hoparkentubbi, whose name appears opposite No. 1284 upon a schedule constituting a part of the final roll of citizens by blood of the Choctaw Nation, enrolled under the provisions of the Act of Congress approved March 3, 1905 (33 Stats., 1048), approved by the Secretary of the Interior August 22, 1905, and the selection of an allotment in her name.

A copy of the decision of the Acting Commissioner to the Five Civilized Tribes of February 25, 1908, was, on February 26, 1908, furnished Napoleon B. McClure, Bennington, Oklahoma, the administrator of the estate of Maggie Hoparkentubbi, deceased, by registered mail, and he was

notified that he would be allowed to show cause and introduce testimony before the Commissioner, at his office in Muskogee, Oklahoma, on Thursday, March 26, 1908, at two o'clock, P. M., why recommendation should not be made to the Secretary of the Interior for the cancellation of the allotment selected by him as administrator of the estate of the said Maggie Hoparkentubbi, deceased, at the Chickasaw Land Office on December 1, 1905, for the reason that the said Maggie Hoparkentubbi was not living on March 4, 1905, and not, therefore, entitled to an allotment under the provisions of the Act of Congress approved March 3, 1905 (33 Stats., 1048).

No appearance was made by said administrator, or his proper representative, before the Commissioner at the time stated in the above notice, and no action, whatever, appears to have been taken by him with reference to this case.

The records of this office show that Chickasaw Homestead Certificate No. 10634 was mailed to the administrator, Napoleon B. McClure, on June 29, 1906; that Chickasaw Allotment Certificates No's. 20663, 20664 and 20665 were mailed to him on June 30, 1906, and none of said certificates have been returned to this office.

As the result of the investigation had in this case I am of the opinion that the evidence clearly shows that Maggie Hoparkentubbi was not living on March 4, 1905, and not entitled, therefore, to an allotment under the provisions of the Act of Congress approved March 3, 1905 (33 Stats., 1048), and I have the honor to recommend that there be placed upon the final roll of citizens enrolled under the above Act of Congress and the copy thereof in the possession of the Department and Indian Office opposite the name of the said Maggie Hoparkentubbi, appearing thereon at No. 1284, the following notation:

"Not living on March 4, 1905;
not entitled to land or money".

I have the honor to further recommend that I be authorized to place a like notation upon the copies of said roll in the possession of this office, and to cancel and set aside the allotment selection made in the name of Maggie Hoparkentubbi, deceased, at the Chickasaw Land Office on December 1, 1905.

In view of the fact that the certificates of allotment for the land allotted to the said Maggie Hoparkentubbi, deceased, are outstanding, I have the honor to request that this office be specifically advised whether, upon the cancellation of this allotment upon the records of this office,

the further allotment of any of said land shall be permitted prior to the cancellation of the certificates of allotment.

Respectfully,

WPC(VR 632) Acting Commissioner.

Through the
Commissioner of
Indian Affairs.

It appears from the record herein that on April 17, 1905 there was filed with the Commission application for the enrollment of Frances Hokubbi as a citizen by blood of the Choctaw Nation.

It further appears from the record in this case and the records of the Commission that the applicant was born on March 26, 1903; that she is a daughter of Peter Hokubbi and Sisley Hokubbi, recognized and enrolled citizens by blood of the Choctaw Nation whose names appear as numbers 11750 and 10924, respectively, upon the final roll of citizens by blood of the Choctaw Nation, approved by the Secretary of the Interior March 10, 1903 and February 4, 1903, respectively; and that said applicant died on July 31, 1904.

The Act of Congress approved March 3, 1905 (Public No. 212) among other things provides:

> "That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

Dear Madam:

Your letter of the 7th instant in reference to the enrollment of your child, John Clinton Paddock, has been referred by the Secretary of the Interior to this office for consideration and appropriate action.

In reply thereto you are advised that on July 22, 1905, the Secretary of the Interior approved the enrollment of your minor son, John Clinton Paddock, as a citizen by blood of the Choctaw Nation and his name appears upon the final roll of new-born citizens by blood of the Choctaw Nation opposite number 268. Notice of the approval by the Secretary of the Interior of the enrollment of your child was forwarded you at Lindsay, Indian Territory, early in August of the present year.

The child is now entitled to an allotment and selection thereof should be made without delay at the land office for the nation in which the prospective allotment is located. It appears from the records of this office that you are a non-citizen white woman and it would therefore be required that the allotment be se-

W. H. Angell,

Choctaw Land Office,

Atoka, Indian Territory,

Dear Sir:

There is enclosed herewith affidavit of Ada McLellan, mother, and Kittie McLellan, midwife to the birth of Samuel J. McLellan, born January 4, 1905, who is an applicant for enrollment as a Choctaw citizen.

Your attention is called to the fact that the affidavit of the mother was executed on March 20, 1905, while that of the midwife was apparently executed January 4, 1905, the same day on which the child was born. The date of execution given in the latter is probably an error. If so, you will please attach your own affidavit to this one showing the date on which it was executed.

Respectfully,

Chairman.

In reply to your letter you are advised that you will be informed when the enrollment of your children, Clara D. and Samuel J. McClelland, has been approved by the Secretary of the Interior.

You are also advised that the marriage license and certificate between yourself and your wife, Ada McClelland, have been filed with our records in support of the application for the enrollment of these two children, and it is impracticable at this time to comply with your request for the return thereof.

Joseph M. McLellan,

Ashland, Indian Territory.

Dear Sir:

Receipt is hereby acknowledged of your letter of the 10th instant in which you request to be advised as to whether or not the enrollment of your minor son, Samuel J. McLellan, has been approved by the Secretary of the Interior and if not to be advised of what further evidence is necessary in said case.

In reply to your letter you are advised that the reason your said son was not enrolled at the same time that your other child, Clara D. McLellan, was enrolled is that at that time there existed in the record in said case a discrepancy and it was necessary that the same be corrected before the rights of said Samuel J. McLellan could be finally determined. Said discrepancy has been recently corrected and you are advised that the name of Samuel J. McLellan will be placed upon the next schedule of new born citizens to be submitted to the Secretary of the Interior for approval.

When the enrollment of said child is approved you will be duly notified.

Respectfully,

Acting Commissioner .
